## The Dimmer View

By MAX GOODWIN

I had part in an affair last week which produced some mighty fine results. The results served to remind me how rewarding are some of the responsibilities which local newspapers take on in the interest of the communities they serve. I should point out that this is not true of the throw-away publications, but that is another story I will do in full some day.

This story started two weeks ago when a young local insurance man named Wayne Kennaston charged into my office demanding that he and his neighbors who have quality homes on Barbic Lane in Casa de Oro be protected by this newspaper from the predatory actions of the San Diego County Planning Commission.

Kennaston charged that one of the commissioners, Gil Ray, a Casa de Oro real estate man and investor, had maneuvered a request for rezoning to the county supervisors for making the area east to Barbic Lane commercial. Kennaston believed, he said, that Commissioner Ray had an ax to grind. He said that commercial zoning would make a real-estate profit but would cause Barbic Lane values to collapse.

I took his letter to Ray and asked what about it. Aside from opining that the letter appeared libelous he was cooperative and helpful. Ray explained how a buffer zone was being set up between Barbic Lane and the business section of Casa de Oro, all within the best planning principles, to protect rather than injure the complainants.

Here, obviously, were opposed philosophies in a deadlock.

I contacted Kennaston and asked him if Commissioner Ray had told him the same things he told me. Kennaston said he had never talked to Ray. This shouldn't have surprised me, but it did.

To make the long story a little shorter, I urged the two men to get together.

They did! This week, both men contacted me by phone. Each of them said the same thing. Both said that the ruckus was the result of mis-information.

Kennaston asked me not to print the letter and that Ray was sincerely working in the best interests of Casa de Oro. Ray said Kennaston had not been completely informed on what the planning plan was. Each gave an expression of admiration for the other. Today they like and respect each other.

This, incidentally, is not a blanket approval for the actions of the planning commission nor an invitation for readers to solicit this newspaper to battle the planning department.

It does tend to show how problems can be resolved if the principals can be brought together so that they may learn whether or not they are fighting about the same thing.

As most business firms know, the Lemon Grove Chamber of Commerce operates the Lemon Grove Business Protective Association. The name has a connotation of Chicago-style gangsterism but the association certainly is anything but that. The LGBPA is a one man police force comprised of one Hal Johnston and his radio equipped auto. He has been responsible for the arrest of a good half-dozen culprits, most of whom he caught in the act of breaking into and entering local business firms.

He is obligated to serve only those firms which pay a nominal fee to him via the chamber for his nightly patrol duties. However, he has a splendid record of arrests on the property and premises of non-members.

Came Officer Johnston into this office last week to make this request of our readers who may be non-members.

Paste name, address and telephone number on the front door or window of the shop you occupy

1958 LICENSE TAGS — Here's the way your 1958 sticker is to be applied... after you send in your dough, your registration renewal card, and the Department of Motor Vehicles folk send it back to you.

The new sticker is green and is to be applied directly over the 1957 sticker which is red. DMV advises that the red sticker be cleaned with a damp cloth first to assure better adhesion. Who do you suppose that is applying a sticker to his own auto? It's Rolland Douglass, manager of the DMV office at 7787 University Avenue. Douglass says the area office will be open 8 to 5 daily and until deadline date for acquiring stickers (February 4) it will be open Saturday mornings also.

## Briar Patch Operating

The Briar Patch Elementary School, near La Mesa, opened this week, although there are a few small jobs to be completed. However, according to a spokesman from the La Mesa-Spring Valley School District, the preliminary inspection already has taken place.

Children attending Briar Patch have been attending the Lemon Avenue, the Murray Manor and the Fletcher Hills Elementary Schools, their classes being in the multi-purpose rooms, those rooms being divided into four classes.

## GasCo Asks PUC To Up Bills \$1.33

The San Diego Gas and Electric Company announced this week that they had applied to the California Public Utilities Commission for permission to increase gas, electric and steam service rates.

For electricity, the firm is asking increases in varying amounts from 12.8% to 20.2%. In Lemon Grove and Spring Valley the El Cajon, who has 7 acres of fact would be to raise residential bills 73c to \$6.35 a month.

A small general service bill which is now \$29.35 would be increased \$4.03 to \$33.38.

For gas, the average household now pays \$5.93 for 5,000 cubic feet. This would be increased 61c to \$6.54.

An increase of 48% is asked in steam rates.

The Public Utilities Commission will study the request early this year. New rates, when approved, will become effective before the middle of the year.

## Official 'OK' On Palm School To Be Given

Final board acceptance of the new Palm Avenue School in Lemon Grove along with a report on Monday's opening of the 300 student plant is part of the business listed for the January 13 meeting of the school board. Beginning at 7:30 p.m. at the Education Center on Lincoln, the meeting also is concerned with approval of work at Palm Avenue to be completed by the local district. This includes some surfacing, etc., not included in the original contract.

Approval of the final plans and specifications for the San Altos School is also on next Monday evening's agenda. The bidding schedule, which includes dates for construction, is listed, plus a report on the sale of school district bonds for financing the new classrooms to be built on Madera Street.

Other agenda items for board consideration are the routine acceptance of resignations and approval of contracts and approval of travel allowances for district representation at the Midyear Conference on Good Teaching at Los Angeles, January 31 and February 1, and the Governor's Conference on Youth in Sacramento, February 11 and 12.

## CHAMBER TO TAKE LOOK AT \$25,000 INCORPORATION COST

The Chamber of Commerce will hear a report this week from its incorporation study committee, it was announced by chamber president Ernie Newton.

The committee, which has been collecting estimates on the cost of obtaining professional assistance is under the chairmanship of Wallace Dorman, Lemon Grove attorney. Six men make up the committee. The report is being given Thursday noon.

Dorman said that his group would pass on to the chamber the estimate made last week when John Johnston of Long Beach, sat with the committee. Johnston said the maximum cost for bringing the issue to a vote would be \$25,000. Dorman said the information would be passed to the chamber without recommendation.

Johnston said that his fee would be \$8,000.00 or \$1,000 a month for the eight months it would take to get the work done. Johnston has a wide California reputation for conducting com-

munity campaigns without creating community squabbles, Dorman said.

The balance of the money would be used to pay for office, office personnel, legal advertising, petition circulators and publicity. According to Dorman, any work done by proponents would reduce the money needed by that amount.

The chamber had spearheaded a campaign by which \$1,800 was raised late last year to pay for a study of the community's economic make-up. The survey showed that 20 of the 27 Lemon Grove clubs and groups preferred incorporation as a sixth class city. Three clubs did not respond and four said their rules didn't permit taking part. The study showed it to be less expensive from a tax standpoint to incorporate than to annex to the city of San Diego, the latter being an alternative.

The chamber meets at Michael's at noon. The meeting date, normally the first Thursday of the month, was moved back a week because of the holidays.

## Landmark Lost As Casey Moves Seat Of Operations

Lemon Grove is losing one of its landmarks... and it is Spring Valley's gain.

The George F. Casey Company, manufacturers and renters of portable outhouses, is moving its base of operations from 7503 Broadway in mid-Lemon Grove to 9020 Memory Lane in Spring Valley. The movement is expected to take place late this month. The cesspool and septic tank firm of installers and maintainers is one of the pioneer business organizations in Lemon Grove and the corner lot it occupied, with as many as 200 Caseys in attractive rows has evoked expressions of astonishment from local sightseers.

The new home for the firm will consist of two acres of land with living quarters for officials of the firm, an office building with three offices, a truck repair shop, a storage space and a repair center for the upkeep and repair of the portable toilets.

Noble Herricks, manager for the San Diego area, said the Spring Valley unit will have about three-quarters of the area paved. The office building has a modern heating and cooling system installed.

There are to be seven drivers working out of the Spring Valley unit. The George F. Casey Company of this area covers the entire San Diego County, and has gone as far as Imperial Valley. The main unit, and where the company started in about 1920, is in Los Angeles.

## Mens' Club Speaker To Be Psychologist

Leslie M. Patterson, Lemon Grove psychologist, will be speaker Friday at the Men's Club when programs are resumed. The club has been dark for the holidays.

Patterson, who received his A.M. degree at San Jose State recently opened counselling offices in the Grove Theatre building. His program will cover the "Mechanics of Becoming Well Adjusted." Prior to coming to Lemon Grove he served with the San Diego Social Service Department. He specializes in juvenile delinquency areas.

President of the Men's Club is Bill Parker. The group meets Friday noon at Michael's. All men are invited to come.

**TWO BIRTHDAYS**  
Hamilton, Mont. — The twins recently born to Mr. and Mrs. David Huls will have different birthdays, although they were born just 32 minutes apart. The boy arrived at 11:15 p.m. and his sister came along 32 minutes later, at 12:27 a.m.

## LETTERS TO THE EDITOR

Dear Editor:

Here is a copy of a letter I mailed last week. I hope others took the opportunity to tell the governor and the Public Utilities Commission of the parking problem created by utility poles at the Post Office.

Sincerely,

R. V. Vaught

Gentlemen:

I am enclosing a copy of "The Dimmer View" from The Lemon Grove Review dated January 2, 1958.

Max Goodwin, Editor & Publisher of The Review, has done quite a little research into the possibility of getting the San Diego Gas & Electric Co. to move a power pole located directly in front of the U. S. Post Office in the central shopping district of Lemon Grove, apparently to no avail.

Perhaps the Public Utilities Commission could in some way act to benefit the public as a whole in such a matter.

At any rate, it will be very interesting to learn your position in a matter such as this.

Please advise.

Respectfully yours,

Robert G. Vaught

## Dr. Lande To Be Installed As High Twelve President

Mt. Helix High Twelve Club will install new officers at a dinner meeting ceremony Saturday at 7:30 at Michael's.

To be installed are Dr. Lynn Lande, president; O. C. Bud Morris, Harvey Maden and Dr. Calvin Nicholl, vice presidents; Max Goodwin, secretary - treasurer; Fred Carmichael, Chaplin, and Walter Martel, sergeant at arms. Installing officer will be Dave Snyder, state vice president of High Twelve organizations. Neil Nettleship is to be speaker.

High Twelve is a Masonic organization.

## Sewer Date Set For March First

The number one question in the minds of all Spring Valley residents now is in the past several months is "When will we be able to connect to the sewers?"

The following from the County Public Works Department helps to explain the situation...

It is expected that the sewage treatment plant for the Spring Valley Sanitation District will be placed in operation on or about March 1. The sewers generally south of Lamar Street, the sewer in Bancroft Street south of Campo Road and the portion of the trunk sewer from Bancroft and Olive easterly to Sweetwater Springs Boulevard have been completed and accepted. These sewers will be placed in operation at the same time as the treatment plant.

Owners of properties adjoining these completed sewer lines will be able to obtain sewer service soon after the opening of the plant by having connections from the sewer lines installed to their properties prior to March 1.

## Mrs. Landesco Hospitalized After Crash

Mary Landesco, 65, of 1940 Skyline Drive, well known for her activities in the Grossmont Hospital Auxiliary and in the County Democratic Committee is in "fair" condition this week at Grossmont Hospital following an auto accident Sunday on Alvarado Freeway.

The hospital said she suffered a severe cut under her chin, other lacerations, a broken right wrist and numerous contusions when her auto jumped an island and crashed into an auto driven by James Sappierfield of El Cajon. Sappierfield was also hospitalized. His wife, Jeanette, was less seriously injured.

Mrs. Landesco told Mrs. Joseph Miller, a neighbor that she was driving east on the freeway following a slow moving line of traffic in the right lane. She said she had no recollection of anything until the crash. San Diego police cited Mrs. Landesco on a 525A

Property owners may make application for installation of sewer laterals to their properties at the office of the County Building Inspection Division, Room 021, Civic Center, after January 10. Prior to making inquiry or application, applicants should have available a copy of the legal description of their property. Information concerning charges may be received by telephone by calling BELmont 9-7561, Extension 432.

It will be to the advantage of persons desiring service as soon as the treatment plant is open to make their applications early. The County Department of Public Works will endeavor to make installations in the order in which applications are received.

## Free Hypnotic Sample To Be Given For JC Show

The Lemon Grove Junior Chamber of Commerce Hypnotic Show which will be held at the Lemon Grove Junior High School auditorium Tuesday, February 11, will feature audience participation stunts, John Engelstad, JC president, said.

Professor Russell K. Barron, hypnotist, will give a free sample of his work at noon of the date of the show. He will appear in the plaza on Broadway and put several Jaycees in a trance.

At the two performances at the auditorium, both of which will be paid admission showings, he will place a chosen subject in a state of catalepsy or deep sleep, showing how the muscular system under hypnosis can make the body as rigid as steel, so it feels no strain when supporting heavy weights. In fact, when the subject's body reaches this stage of rigidity, it will be suspended between backs of two ordinary kitchen chairs. While in this position, weight up to two hundred pounds will be placed on the abdomen of the hypnotized person, who will easily support it without pain or strain.

Tickets may be obtained from any Jaycee member.

charge, that of crossing a center island.

Mrs. Landesco has been publicly chairman for Grossmont Hospital Women's Auxiliary since it was formed. She is also treasurer of the San Diego County Democratic Council and a former officer of the League of Democratic Women. She was scheduled to attend the Democratic Endorsing Convention at Fresno this weekend.

ENGAGED — Mr. and Mrs. W. A. Hawkings, of 1661 Drexel Drive, Monterey Heights announce the engagement of their daughter Barbara, to Lynn Warden, son of Mr. and Mrs. Ralph Warden, of 1844 Englewood Street, also in Monterey Heights. Wedding has been set for April 15.

## Assessor To Speak In SV

John McQuilken, San Diego County Assessor, will be speaker Thursday evening at a meeting of the Mountain Valley Taxpayers Association.

Meeting is called for 7:30 p.m. at the Spring Valley School. McQuilken said the program would be audio visual and the title is "Operation Equity".

All persons interested in the functions of the assessor's office are invited to attend.

## Grove Barber Nicked \$50 On 'Dirty Picture' Charge

A net loss of \$20 was suffered by a Lemon Grove barber when Municipal Court Judge Phil Smith fined Robert "Bob" Sargent \$50 on an "obscene movie" complaint Monday. Sargent entered a plea of guilty. Complaint was made against Sargent, 44, of 7641 Circle Drive by the sheriff's department after they raided a ranch in Lakeside September 27.

Sheriff Lt. Tom Isabell said the department had responded to a call from neighbors in the vicinity of the Lakeside ranch who reportedly became alarmed by the large

number of autos and the noise at the ranch. Five rolls of "obscene movies" which sheriff's men said were rented to a group of college youths for \$30 by Sargent were confiscated.

Sargent, who operates a barber shop at 7868 Broadway in Lemon Grove was arrested on October 4 on a charge of violating a county ordinance prohibiting distribution of obscene material. The offense is a misdemeanor.

Sargent had entered a plea of not guilty when arraigned before Judge Smith in October.

## List Of New Holiday Babies Impressive

A list of babies born in time for the holidays to local residents looks impressive. Additional joy was brought because they got here in time to bring an extra income tax reduction for the entire year past.

Mr. and Mrs. James Horne, of 8102 Jefferson Street, became parents of a 9 lb., 15 oz., baby girl December 30 at Paradise Valley Hospital.

At Grossmont Hospital Mr. and Mrs. Edward Rogalla, of 4012 North Cordoba in Spring Valley, became parents of a 7 lb., 13 oz., girl December 12.

A boy was born to Mr. and Mrs. Edward Madrugá, of 3674 King Street at Grossmont December 14. He weighed 5 lbs., 6½ ozs.

Other Grossmont births from the area included: A 6 lbs., 13 oz., boy to Mr. and Mrs. Ray Connors, of 3210 Sweetwater Road; a 6 lbs., 6 oz., baby girl to Mr. and Mrs. Donald Askew of 9465 Crest Drive, Spring Valley, and an 8 lbs., 12½ oz. girl to Mr. and Mrs. Clayton Johnson, of 3210 Kempf Street. The latter two were delivered December 17.

On December 19 Mr. and Mrs. Arthur Walker, of 3420 Niblick Drive, had an 8 lb. boy. Mr. and

Mrs. Richard Stettler, of 3766 Citrus Street in Lemon Grove, had an 8 lb., 6½ oz. boy on December 21.

A 7 lb., 11 oz. boy was born to Mr. and Mrs. Alfonso Fernandez in Spring Valley on December 26.

## Joint Installation Planned By Local Clubs

A joint Kiwanis-Kiwanianes dinner party will be held Saturday at the Marine Recruit Depot Officers Club and an installation ceremony will be held for 1958 officials.

Kiwanis District Gov. Henry Boney will be installing officer and speaker. New officers will be Thad Butts, president; Freeborn Cressy, vice president; Dr. Thayer Crow, 2nd vice president; Sam K. Solleder, secretary and Bill Paul, treasurer.

For the Kiwanianes Mrs. Max Goodwin, immediate past president will be installing officer.

To be installed are: Mrs. Robert Swenson, president; Mrs. Jack Durham, vice president and program chairman; Mrs. Vernon Officer, secretary and Mrs. Thayer Crow, treasurer.

### CHRISTIAN SCIENTISTS

#### HOLD COMMUNION SERVICE

Communion will be celebrated by all the congregations in the Christian Sciences churches on Sunday. The occasion is one of the regular Communion Services held by the churches with the Lesson-Sermon for the day entitled "Sacrament."

David's reverent prayer from the 139th Psalm (23, 24) will be read during the service, "Search me, O God, and know my heart: try me, and know my thoughts: And see if there be any wicked way in me, and lead me in the way everlasting."

**CHOCOLATE COVERED CATERpillARS** — This juicy (ugh) tidbit is being popularized now at the nation's grocery stores. But Mrs. Farrell Patton, of 1380 Taft Street in Monterey Heights is quite sure she is not going to add it to her family larder. In the transparent box is a combination of chocolate covered ants as well as the succulent caterpillars covered with tasty chocolate. The delicacy was supplied by Lee Nemecek, a local super-market official who had received them as a sample from the manufacturer. He said that the manufacturer also supplies such gastronomic oddities as rooster combs in jelly, smoked octopus, fried silkworms and fried grasshoppers. Mrs. Patton, who is the newest member of the Lemon Grove Woman's Club Juniors, agreed to pose with the chocolate covered gourmet item in the interest of gastronomic science but declined to further that science by taking a bite. In a previous item in this newspaper concerning giving some of the ants and caterpillars to anyone who wished to eat them, there were no takers. We sent the sample box back to Nemecek, with regrets. — Tappy Foto

### Navy Pass Is Old Globe Show Theme

As gay and lively a show as ever has been "piped aboard" the Old Globe Theatre in Balboa Park is "On the Town," now on an extended cruise under the flag of the San Diego Community Theatre, starting this week.

With music by Leonard Bernstein, story and lyrics by Betty Conden and Adolph Green, direction by Craig Noel, sets by Betty Kellner, costumes by John Pittman, dances by Lynn Pyle, musical direction by White, and a story that relates the hilarious

activities of three sailors on a 24-hour pass in New York, "On the Town" will offer a top evening's entertainment.

The three sailors are played by Joe Angarola, Kim Roberts and Chuck Meltzer. Carolyn is cast as Ivy Smith, Lucy Ennis as Hildy, Joan Mandolf as Claire, Margo Miller as Lucy Schmeeler, Patricia Manes as Flossie and Sadie Lou Tieri as Madame Dilly.

Others in the cast of "On the Town" are Donna Geddes, Ruth Godfrey, Jeanne Kickel, Sue O'Neill, Dorothy Passarelli, Marie Peeking, Mary Ruffner, Jane Thompson, Donna Trapnell, Steve Adams, Bruce Ballard, Ben Benson, Jim Davis, Frank Geising, Glenn Kickel, John Lavelle, Jim Prendergast, Richard Puraty, Victor Scherle, Paul Rayman, and Anthony Stevens.

Gilbert Warner and Don Hatch will be at the twin pianos as accompanists. "On the Town" will play at the Old Globe nightly, except Mondays, at 8:30, through February 2.

### FRUIT TREES

This is the time when most people spray their fruit trees, just as they begin to become active, at which time insect life and fungus diseases begin to appear. Keeping your trees clean and healthy is important.

### PEACH LEAF CURL

This evil has been the despair of California back-yard gardeners for many years. It is a disease and causes the leaves to swell and look as though they were blistered, taking on a red-dish tinge.

### THE REMEDY

The best spray to use is a lime-sulphur-oil emulsion. But using it at the proper time is more important than anything else. You should spray just when the fruit buds start to show color . . . what we call the "pink bud stage." This is a "preventive" measure; much more effective than attempting to cure the evil after it has once been established. The same lime-sulphur-oil spray is suitable for other stone fruit trees before they bloom, and is excellent to prevent mold from attacking plum trees.

### CAN TYPE, WILL TRAVEL

### Overseas Jobs Await Good Typists

An invitation to work abroad with the United States Foreign Service is being issued by the Personnel Officers of the United States Department of State, to residents of Lemon Grove-Spring Valley. The work, at one of the 270 Embassies and Consulates in 80 foreign countries, offers travel, the prestige of representing the U. S. abroad, and the satisfaction which comes from knowing and working with people of different backgrounds and cultures.

Travel need no longer be a dream if the dreamer is a high school graduate between the ages of 21 and 35, single with no dependents, in excellent health, and have been an American citizen for at least five years.

Applicants will be interviewed at the California State Employment Service, 525 South Flower Street, Los Angeles, from January 13, through February 8. Office hours will be from 9 to 4:30 daily, until 7 on Wednesdays and from 9 to noon on Saturdays. Positions open to qualified secretaries require a typing speed of 50 words a minute and shorthand at 96 words a minute. The starting salary is \$3800 a year, plus overseas allowances. A minimum of four years office experience is required.

A starting salary of \$3390 is offered to stenographers with a typing speed of 50 words a minute and a shorthand speed of 80; communications code clerks with a typing speed of 45 words a minute (qualified typists will be trained for this position); and general clerks with a typing speed of 35 words a minute. Applicants must have three years of work experience — one year of which must have been in general office work. Education may be substituted for two years of the required work experience.

your tastes and the customs of the land. Safaris, wild-beast hunts, fishing from sampans, skiing on the Zugspitz, vacationing on the Riviera, or the fun of finding activities "just like back home" in a foreign land, are often the topics of conversation when Foreign Service employees get together.

Between each two-year tour of duty, an additional six weeks of leave is given to employees for vacationing in the States. All official travel is at Government expense.

If you are not ready to depart for foreign lands, but you would like to travel, typist and stenographic positions are available in the Department of State "home office" in Washington, D. C.

Starting salaries range from \$3175 to \$3415 a year. Applicants must be at least 18 years of age and able to type 40 words a minute. Applicants for the stenographic positions must, in addition, be able to write shorthand at 80 words a minute. Special appointments and additional information can be obtained by telephoning Richmond 8-6511 in Los Angeles.

## Ground Glass In Chili Powder Says Dr. Askew

The San Diego Department of Public Health warned against the possible presence in this county of one-ounce and three-ounce bottles of Gebhardt's chile powder accidentally containing ground glass.

Dr. J. B. Askew, Director of Public Health, urged housewives to examine their seasoning shelves and discard any one-ounce or three-ounce bottles of Gebhardt's chile powder they might find. He urged grocers to clear their shelves of one-ounce and three-ounce containers of Gebhardt's chile powder at once and return it to their wholesaler for credit.

Department of Public Health sanitarians, he said, will visit all grocery stores and markets in the county and place under quarantine all one-ounce and three-ounce containers of Gebhardt's chile powder they may find.

Dr. Askew said the local Department of Public Health had been notified by the State Department of Public Health that some Gebhardt chile powder had been shipped in one-ounce and three-ounce containers before it was known that the powder was possibly contaminated with ground glass. The State Department of Public Health advised that the Gebhardt Co. and the Food and Drug Administration were trying to recall all chile powder that might be contaminated.

## Mt. Helix Council To Hear Mrs. Radcliffe

"Who's the Boss—TV or You?" will be the subject of speaker Mrs. William Radcliffe, 9th District TV Chairman, at the January 15 meeting of Mt. Helix Council called for 8:00 a.m. at Fletcher Hills School cafeteria, 2330 Center Place, El Cajon, Calif. Questions taken from the recent National PTA Magazine dealing with the subject will be discussed. These include 1—The case of TV vs. children; 2—What is TV's influence on the children; 3—Should children watch adult programs; 4—What are the standards for children's programs; 5—What are good programs for children? A PTA recommended list of programs will be distributed to those attending this meeting.

From a list of nominees from each of the 16 PTA units in Mt. Helix Council will be elected a nominating committee of 7 whose duties will be to prepare a slate of officers for election for next year.

Workshop is to be announced for historians and presidents to assist them in preparation of annual reports and another workshop is to be set up for publicity record book chairmen.

Hostess units for this meeting will be Fletcher Hills, Murray Manor, Northmont and Brier Patch Schools.

## HOME FEDERAL HAS HUGE INCREASE IN ASSETS

Increasing by more than 55 percent during the past year, assets of Home Federal Savings and Loan Association now total \$50,854,775.29, according to the December 31st statement of condition.

Savings increased during the same period by \$11,220,512.37 and now amount to \$37,719,623.09. Reserves kept pace with this growth, totaling \$3,109,231.64 on December 31.

The value of home loans held by Home Federal grew from \$29,177,329.98 to \$44,709,333.89, as San Diego maintained its position as one of the more active real estate and construction markets in the country.

## Local Builders To Start 160 Houses Here

Two veteran Lemon Grove builders will start construction next week on 160 houses on a 43-acre site west of Lemon Grove.

The builders are Robert Holstrom and Albert Gray. The development, known as Broadway Heights is located between McArthur Drive and Mallard Street and is known as the Old Japanese Gardens. The property is within the limits of the City of San Diego.

Gray, a contractor for 43 years, said the houses would be in the \$22,000-\$24,000 class. The houses will have sliding glass doors, fireplaces, 2 full baths, heavy shake shingle roofs and will have three and four bedrooms.

Holstrom said work would start about January 15 and a model would be ready to show mid-February. Holstrom, who has been building for 30 years built many of the homes in Monterey Heights development No. 1 and No. 2.

The firm said it would take about \$4,000 cash to acquire one of the homes.

## INCOME TAX CLASSES PLANNED BY NIGHT SCHOOL

The Grossmont Adult School offers a short term class (6 weeks) on Income Tax Information.

Two classes will operate this year: A Monday night class at El Cajon Valley High School, starting January 13 and a Wednesday night class at Helix High School, starting January 15. These classes will meet once a week from 7:00 to 9:30 p.m.

This makes the seventh year this type of class has been offered for the benefit of people who wish to study and make out their income tax returns.

Forms, worksheets, and materials are supplied by the federal government so that all avenues of report tax is covered.

## LOMITA VILLAGE NOTES

by Edna Rice — HO 4-6832

St. Rita's Roman Catholic Church has a number of ladies' sodalities, of which two are in Lomita Village. St. Margaret Mary's and St. Patrick's wish all the residents of Lomita Village a very Happy New Year.

St. Patrick's Sodality held their annual Christmas party buffet supper recently at the home of Dr. and Mrs. Charles Chase, 3107 Citrus, Lemon Grove. After the supper there was dancing and carol singing. New officers installed for the coming year were: Mrs. Charles Chase, president; Mrs. Richard Wengert, vice-president; Mrs. Helen Keller, secretary; Mrs. Ida Banville, treasurer; Mrs. Jack Henley, publicity and card committee. Those present were Mr. and Mrs. Richard Wengert, Mr. and Mrs. James Phillips, Mr. and Mrs. Frank Jesus, Mr. and Mrs. Jack Henley, Mr. and Mrs. Michael Martinelli, and Dr. and Mrs. Chase. Also Mesdames Ida Banville, Mary Palozzolo and Mary Clark.

Mr. and Mrs. Charles McCauley and their children, Kitty and Billy, formerly of 304 Cardiff Street and now stationed on Okinawa, send holiday greetings to all their friends in Lomita Village. The McCauleys were among the first families of Lomita "way back when." They celebrated Christmas at the Rocker Club, although they report they are really anxious to try out some steaks on the brand-new Japanese hibachi pot they just purchased. Kitty and Billy send their Christmas and New Year's greetings to all their friends at Audubon School. Kitty particularly misses Carol Brown, Pam Hart, and Mary Fleming. Billy misses his pal Jim Norman. And the children both miss Mrs. Potter and Mrs. Lienhart. The school they now attend is located right on the shore of the China Sea, and they can always see when a typhoon is coming up and so get home in time. Kitty and Billy like Audubon School better than the one they are now attending.

The Nil Nomen ladies of Lomita Village delivered the Christmas baskets they packed at their recent Christmas party to Father Gino at the Mission on the Santa Isabel Reservation, for the needy Indians. However, Father Gino would welcome more warm clothing, food staples, bedding — in fact, almost anything. And these Indians, young and old, have a sweet tooth, too. How they love hard candy! The clubwomen make monthly trips to the reservation, sometimes oftener. These Indians are not the recipients of

government largesse, as many people erroneously imagine. Much of their land is stony, precipitous, and barren. A hard land has bred a proud, independent race of people. Your reporter, a New Englander, can well understand the type of sturdy, independent, proud farmer who tries to wrest a meagre living from a "stern and rock-bound soil."

Father Gino, of the Verona Mission Fathers, is stationed at the Santa Isabel Mission temporarily while pinch-hitting for Father Nardi, who is at present in Ecuador. Father Gino actually has ten reservations under his pastoral care. It is a beautiful 45-minute drive up to Santa Isabel. Father Gino is proud to show the Mission to visitors. Or please leave your donations with Mrs. R. E. Lovelace, 552 Encinitas Avenue. These Indians are living practically in our own back yard. They are not lazy, shiftless folks. They exhibit traits of character worthy of admiration and respect.

Audubon sixth graders are already eagerly looking forward to their visit to Camp Cuyamaca the week of January 27. Camp Cuyamaca is near Julian, and is the site of an old CCC camp, but has been rebuilt to make it modern and comfortable for the children. This is a regular part of the sixth grade program in the City of San Diego and other school districts in the county. The camp activities fit into the social studies units on conservation and human growth. Each sixth grader is supposed to try to earn at least part of the cost towards the expenses. The children are very enthusiastic over the camp program.

Let's make this an especially safe holiday for driving and remember that gas and alcohol don't mix. There are three fine Alcoholics Anonymous groups serving the Lomita Village area: The Lemon Grove group, which meets Sundays at 8:15 p.m. in the Friendship Hall of the First Congregational Church; the Spring Valley group, which meets Thursday at 8:15 at the Community Center opposite the Fire House; and the Encanto group, which meets Mondays at 8:15 in the Methodist Church on Brooklyn at 65th. If you need help, call AA Central Office, day or night—BE 9-1366.

The recent Christmas program at Audubon Elementary School was considered a huge success by all who attended. "The Christmas Story" was under the very capable direction of Mrs. Freda Gregg. The cast was as follows: Two Readers: David Ashman and Jacqueline Burke. Mary: Linda Gamet. Joseph: John Toth. Three Kings: Fred Domain, Ronald Sierra, John Harmon. Choir Boys: Michael Sporer, Jimmie Johnson, John Cooper, Michael Fuller. Angels: Beverly Martinez, David Bye, David DeBow, Lynette McDonald. Shepherds: John Minich, Roger Denny, Tim Willey, Ronie Richardson, Robert Abel, James Jillard, David Doren, Wayne Ellis, George Mohr, Bob Elliott, Kenneth Ellison. Villagers: Sharon Ashman, Kathleen Schmitz, Jeannette Freshour, Kathleen Burpee, Claudia Beamer. Stage Crew: Steven Rippe and Mike Montgomery. The large chorus was very ably directed by Mr. Robert Cooley.

Mr. and Mrs. Dell Dickinson ushered in the New Year with a party for their friends at their

home at 343 Sawtelle Avenue. Lomita Village guests attending were: Mr. and Mrs. Harold Keister, Mr. and Mrs. George Carroll, Mr. and Mrs. James Kelsey, and Mr. and Mrs. John Clingan. Lemon Grove guests invited were: Mr. and Mrs. William Blair and Mr. and Mrs. Dal Widick.

Mr. and Mrs. Royce Adams, of 831 Cardiff Street, entertained relatives from Michigan over the holidays.

Mr. and Mrs. Leo Wilbert, 1760 Dupont, Monterey Heights, are entertaining relatives from Iowa.

Mr. and Mrs. James A. Kelsey of 335 Sawtelle Avenue had as New Year's house guests Mrs.

Kelsey's brother and wife, Mr. and Mrs. G. W. Thomas, and three sons, of China Lake, Calif. This really was a gala occasion, for Mrs. Kelsey and her brother hadn't spent New Year's together in 20 years.

Mr. and Mrs. Richard Wengert of 8246 San Vincente Street have been entertaining relatives from South Dakota over the holidays.

On Monday, Girl Scout Troop 1307 of Lomita Village entertained Troop 926 of Encanto at a sack lunch outing in Encanto Park. The entertainment consisted of songs, games, and knot tying.

Many Lomita Village families

watched the old year out at the Lemon Grove Lutheran Church New Year's Eve Watch Night Service. This was really a family affair.

Going back to Christmas (seems so long ago!), one of the high spots of Midnight Mass at St. Rita's was the solo, "The Birthday of a King," rendered by Jack Henley of 752 Encinitas Avenue.

Miss Ruth Bryant of 619 Sawtelle Avenue, secretary of the First Baptist Church of Lemon Grove, spent the holidays with her parents in Baldwin Park, Los Angeles.

## Water Says Steve

People are learning that they  
don't have to resign themselves  
to a home water supply which is  
hard, or one which is discolored,  
odorless, "iron-y" or a combina-  
tion of these.

According to Virgil Stevens, of  
the Culligan system, the water  
conditioning industry has begun  
to carry the fight to the hard  
water bugaboo and is now attack-  
ing other water troubles in the  
modern home. Professional fa-  
cilities are available throughout  
the nation for the removal of  
odor, taste, color, iron, organic  
growths and bacteria in any home  
water supply system where such  
a condition may exist.

The phrase "water condition-  
ing" is said by Stevens to mean  
chemical treatment of water to  
improve its action, appearance,  
taste and healthfulness. It is true,  
the water research group says,  
that water hardness is the great-  
est trouble to most homes. But  
the combination of other prob-

# CHAMBER SYMPHONY ASSOCIATION PROGRAM SUNDAY

Music for strings, woodwinds, French horn and piano will be featured in the second in a series of five chamber music concerts to be presented by the San Diego Symphony Association Sunday at 3 p.m. in the Fine Arts Gallery in Balboa Park.

The program will include three distinct historical periods in musical composition. Mozart's Quintet, K. 452, for piano, oboe, clarinet, bassoon and French horn will represent the classical; Arthur Foote's "Night Piece" for flute and string quartet is from the romantic era; and F. Poulenc's "Sextet" for piano, flute, oboe, clarinet, bassoon and French horn is a contemporary work.

## DR. MILLER'S CAMELLIA CLUB TO MEET FRIDAY

San Diego Camellia Society's first meeting of the year 1958 will be held at 7:30 p.m. in the Floral Building in Balboa Park. Friday evening. Mr. Alton Parker of Temple City, Calif., will be the special speaker of the evening. His subject will be

## VLM Christian Church Marks 10th Anniversary

Vista La Mesa Christian Church will celebrate its tenth anniversary on Sunday, with special emphasis during the three morning worship services at 8:45, 9:45 and 11:00 o'clock. Kelman Aiken will sing "Bless This House," as he did on dedication day ten years ago and each succeeding anniversary. Letters will be read from the two former pastors, the Rev. Russell Hensley of Reseda, Calif. and Donald C. Jones of Geyserville. The church was built as a State Missionary project by the Christian Missionary Society of Southern California, and the congregation organized by its first pastor, Mr. Hensley. The Rev. William T. Nichols' sermon will be "A Promise For Every Day," and will center on a forward look.

"Camellias." Dr. Willis H. Miller, society president, will outline more definite plans for the Eleventh Annual Camellia Show to be held in Conference Hall, Balboa Park, in San Diego, February 15 and 16.

## The Dimmer VIEW

(Continued)

so that he may make immediate contact with the proper person in case of emergency.

This, he says, does not obligate the shopkeeper in any way. No one is offering a bigger bargain than that!

With all the jubilation resulting from kids coming off double session when Palm Avenue School opened this week there is a sombre undertone.

This coloration is the danger of young bodies being crippled. Ask any mother or father who had taken the time to walk east on Palm Street where their youngsters will have to trod day after day.

There aren't any sidewalks. There isn't any room for even a footpath that is out of the line of vehicular danger.

The road butts against the utility poles on the south. On the north there is a 24 inch shoulder but due to the narrowness of the street, motorists use this for driving, too.

The kids, first, second and third graders included, have to walk in the streets.

The schools cannot put in sidewalks. Neither do our schools supply transportation within three-fourths of a mile of school.

One of the reasons for happiness in the opening of Palm Avenue School is that no pupil will have to be transported because all live within the walking limits of the school.

The only sidewalks along Palm are in front of the school. Practically every one of the 300 students will have to traverse Palm for varying distances. Most of the kiddies live beyond Palm and they can get to that street in comparative walking safety, but ironically, it is the last quarter of a mile which constitutes the lethal hazard.

This hazard is aggravated by the fact that many Mount Miguel High School students drive over Palm Street at the same time the little kiddies are struggling along the street's edges. Byron Netzel, school superin-

tendent said that the only way the problem can be solved is for property owners to do as the school did. To grant an easement to the county for sidewalk privileges — then put the sidewalk in at their own expense.

What a travesty! The future leaders of our nation being sent to one of the finest schools in the world along a path of danger that even the Kremlin would renounce.

Equally sad is the fact that

this danger cannot be overcome by any of the normal processes.

### NOTICE OF PETITION AND HEARING FOR ANNEXATION

TO THE CITY OF SAN DIEGO, COUNTY OF SAN DIEGO, CALIFORNIA, OF CERTAIN TERRITORY OWNED BY THE SAN DIEGO UNITED SCHOOL DISTRICT.

NOTICE IS HEREBY GIVEN that the City of San Diego, California, has petitioned the Board of Supervisors of the County of San Diego requesting the annexation to said City of the following described territory, to-wit:

1. Beginning at the northernly extremity of the Northernly line of the Common Road as shown on Sheet 4 of Map No. 3597 of Emerald Hills Estates, filed in the Office of the San Diego County Recorder, February 21, 1957, as a point on a portion of the boundary line of the City of San Diego established by annexation proceedings as evidenced by Resolution No. 21221, adopted by the Common Council of said City and effective April 24, 1916, distant north 89°48'10" west along said boundary line 212.29 feet to the easternly line of said Lot 18, Rancho Mission, said point being also the southwest corner of that portion of said territory granted to the San Diego Unified School District by deed recorded June 7, 1957, in Book 6611 at page 508 of Official Records of said County;

2. Thence, north 89°48'10" west along said City Boundary Line 30.00 feet to the northernly extremity of the westerly line of said Kelton Road;

3. Thence, along a line parallel to and distant 30.00 feet southwesterly measured at right angles from the southwesterly line of said San Diego Unified School District parcel the following courses and distances:

a. Northernly and northerly along the arc of a 140 foot radius curve, the center of which bears south 89°53'16" west from the intersection of said parallel line and said City Boundary Line, through a central angle of 25°21'16", a distance of 77.00 feet;

b. North 25°28' west tangent to said curve, a distance of 137.95 feet to the beginning of a tangent 470.00 foot radius curve concave southwesterly;

c. Northwesterly along the arc of said 470.00 foot radius curve through a central angle of 3°46', a distance of 30.90 feet;

d. North 29°14' west tangent to the last described curve 187.14 feet to the beginning of a tangent 480.00 foot radius curve concave northwesterly;

e. Northwesterly along the arc of the last described curve through a central angle of 19°11'20", a distance of 160.76 feet;

4. Thence, leaving said parallel line, north 79°57'20" east along a radial line of the last described 480.00 foot radius curve, a distance of 315.00 feet to an angle point in the boundary of said San Diego Unified School District parcel, the following courses and distances:

a. South 89°48'10" east, 295.04 feet to an intersection with the arc of a 700.00 foot radius curve concave northwesterly, the center of said curve being the center of the southwesterly radio antenna tower of Radio Station KFSD, said southwesterly tower bearing north 82°24'50" east from said point of intersection;

b. Southeasternly along said curve through a central angle of 36°15'50", a distance of 443.66 feet to a tangent line;

c. South 43°54' east along said tangent line 269.46 feet to the northernly prolongation of the center line of Luber Street as dedicated on Sheet 4 of said Map No. 3597 of Emerald Hills Estates;

d. South 46°06' west along said northernly prolongation, 14.37 feet to the intersection with the above described City boundary line;

e. North 89°48'10" west 706.58 feet to the point of beginning.

NOTICE IS FURTHER GIVEN that a hearing on said petition shall be held before said Board of Supervisors in its chamber, Room 310 San Diego City and County Administration Building, Civic Center, San Diego, California, on January 21, 1958, at 11:00 o'clock a.m., at which time and place objections to said annexation will be heard.

Any taxpayer in said City of San Diego or said County of San Diego may object to said proposed annexation by filing a written protest with said Board of Supervisors.

By order of the Board of Supervisors of the County of San Diego, adopted December 17, 1957.

B. B. JAMES, County Clerk and ex officio Clerk of the Board of Supervisors.

### Dad's Cake Bake To Be San Miguel School P-TA Feature

Dad's Night will be held this week at San Miguel School on Thursday when the school's P-TA holds its regular monthly meeting at 7:30. Mrs. Jack Rubin's cub scouts will present the colors and salute. A cake baking contest among the pupils' fathers will be a feature.

"Father's Role In The Family" will be the subject of a panel discussion with Rev. Donald Cooke and Dr. Si Brumbaugh, M.D. on the panel.

### "Father Knows Best" Is Golden P-TA Theme

"Father Knows Best" is the theme of the Golden Avenue P-TA meeting to be held Thursday this week as 7:30 in the Lemon Grove Junior High Cafeteria.

The fathers are taking over the program. First there will be an officer from the San Diego County Sheriff's Department who will be the main speaker of the evening on the subject of narcotics. Mr. Robinson will present a barber shop quartet. To top off the evening, awards will be presented in the men's cake bake contest. Hostesses will be the second grade mothers.

## LET'S HAVE CHICKEN PIQUANT!

**Mary Morgan**  
Food Basket Home Economist

Isn't it nice that we no longer have to wait for Sunday or a holiday to have chicken?? Remember when it was strictly a "company dinner" dish, reserved for family reunions, visiting ministers and other dignitaries? Sadly enough, in those days too, only the fortunate few who were served first got pieces to their liking, and often, if the affair was a very large one, some members of the immediate family were lucky to find the gizzard on their plate, with a lot of gravy covering the absence of other pieces.

Today, thanks to plentiful year-round supplies, we can enjoy chicken any day we choose, and better still, we can have any piece we like. Smart is the housewife who buys today's

fryers and supplements them with additional parts and pieces to round out the satisfaction of that hue and cry at the dinner table of "make mine a drumstick" or "only white meat for me."

The fryer has been around so long that sometimes we forget that there are more ways to cook the bird than just browning it in a pan. It is a good culinary morale-builder to have a speaking acquaintance with Chinese-Fried Chicken, Herb Chicken, Carolina Crunch Chicken, and Creole Chicken Piquant. We have chosen the latter as our Recipe of the Week. It had its origin in Louisiana, a state famous for its Creole cooking, and wise in the ways of making chicken the world-citizen of renown that it is. This particular recipe is really a complete meal in itself, since it combines chicken, mushrooms and peas in a hearty Tomato Roux, with the chicken so tender that you really need only a spoon to dip up every drop of the fragrant garlic-scented gravy.
